ALZU LICK BLOCKS

ALZU has formulated perfect lick blocks for different types of farm animals. The lick blocks enable the producer to improve production traits of animals on veld grazing. Specific nutrient shortages are supplemented to a perfect balance to convert roughage efficiently.

FEATURES AND ADVANTAGES

- Durable and withstand all weather conditions, this results in less wastage and lasts longer
- Due to composition, intake are more controlled
- Convenient packaging that makes removal from box easier and ensure less damages
- Blocks are formulated with specialised vitamin and mineral pack - supplement important trace minerals.
- Can be used as a drought supplement
- Helps with improving herd fertility and weaning mass
- Improves herd health

ALZU HORSE BLOCK APERD Reg. No: V 29918 Act 36 of 1947

SPECIFICATIONS

	g/kg
Protein	150 g/kg (min)
Moisture	120 g/kg (max)
Fibre	100 g/kg (max)
Calcium	20 g/kg (min)
Calcium	30 g/kg (max)
Phosphate	18 g/kg (min)
Sulphur	9 g/kg (min)
Manganese	400 g/kg (min)
Zinc	400 g/kg (min)
Selenium	1 mg/kg (min)

INGREDIENTS

Processed grains, forage grain, plant protein products, amino acids, feed lime, salt, MCP, vitamins and minerals, organic minerals, anti-oxidant, mould inhibitor.

The ALZU Horse block is a balanced protein, energy and mineral source. It contains essential amino acids for growth and reproduction.

ALZU GAME BLOCK AWIL Reg. No: V 28646 Act 36 of 1947

SPECIFICATIONS

	g/kg
Protein	150 g/kg (min)
Moisture	120 g/kg (max)
Fibre	100 g/kg (max)
Calcium	20 g/kg (min)
Phosphate	18 g/kg (min)
Sulphur	9 g/kg (min)
Manganese	400 g/kg (min)
Zinc	400 g/kg (min)
Selenium	1 mg/kg (min)

INGREDIENTS

Grain products, processed grains by-products, forage grain, plant protein products, roughage products, sugar by-products, feed lime, salt, MCP, vitamins and minerals.

VOERE/FEEDS

Lick Blocks

The ALZU Game Block is a balanced protein, energy and mineral source. It contains essential amino acids for growth and reproduction. It assists with maintaining the condition of healthy animals. The game block contains aloe that assists with the control of external parasites.

ALZU PROTEIN BLOCK APROTIEN Reg. No: V 28646 Act 36 of 1947

SPECIFICATIONS	g/kg
Protein	300 g/kg (min)
Prot Ex NPN	72% (max)
Urea	75 g/kg (max)
Fibre	100 g/kg (max)
Calcium	120 g/kg (max)
Phosphate	18 g/kg (min)
Sulphur	9 g/kg (min)
Copper	75 g/kg (min)
Manganese	400 g/kg (min)
Zinc	400 g/kg (min)
Cobalt	0.75 mg/kg (min)
Iodine	3 g/kg (min)
Selenium	1 mg/kg (min)
Vitamin A	1 00000 IU/Kg

INGREDIENTS

Grain products, processed grains by-products, plant protein products, roughage products, sugar by-products, feed lime, salt, MCP, vitamins and minerals.

The ALZU Protein block supplements veld grazing with natural and NPN-proteins, carbohydrates and minerals. The protein block stimulates intake and veld utilisation by providing the correct balance of nutrients to the rumen microbes.

The Protein block is suitable for cattle, sheep and goats.

Warning: This feed supplement contains Urea

ALZU MINERAL BLOCKS AMINERAAL Reg. No: V 29919 Act 36 of 1947

SPECIFICATIONS	g/kg
Fibre	100 g/kg (min)
Moisture	120 g/kg (max)
Calcium	80 g/kg (max)
Phosphate	40 g/kg (min)
Sulphur	9 g/kg (max)
Magnesium	10 g/kg (min)
Manganese	525 g/kg (min)
Zinc	525 g/kg (min)
Copper	104 g/kg (min)
Cobalt	0.75 mg/kg (min)
Iodine	3 g/kg (min)
Selenium	1.6 mg/kg (min)

INGREDIENTS

Grain products, processed grains by-products, plant protein products, roughage products, sugar by-products, feed lime, salt, MCP, vitamins and minerals.

The MINERAL block promotes conception on natural grazing and proper weaning weights. It is an all season vitamin and mineral supplement for grazing animals. The mineral block is enriched with phosphorus that serves as an advantage in phosphorus deficient environment and supplies vital trace minerals.

ALZU SHEEP BLOCK ASKAAP Reg. No: V 29919 Act 36 of 1947

SPECIFICATIONS

	g/kg
Protein	200 g/kg (min)
Prot Ex NPN	41.5 % (max)
Urea	10 g/kg (max)
Ammonium Chloride	25 g/kg (max)
Moisture	120 g/kg (max)
Fibre	60 g/kg (max)
Calcium	35 g/kg (max)
Phosphate	4 g/kg (min)
Sulphur	5 g/kg (min)
Manganese	180 g/kg (min)
Zinc	150 g/kg (min)
Selenium	0.9 g/kg (min)

INGREDIENTS

Grain products, processed grain by-products, plant protein products, roughage products, sugar products, enzymatic preparations, feed lime, salt, MCP, organic materials, anti-oxidants, mould inhibitor.

WARNING: THIS FEED SUPPLEMENT CONTAINS UREA

The ALZU Sheep block aids in improving production and maintaining the condition of animals on natural grazing. It serves as a drought supplement. The sheep block can be used for flush feeding to improve weight gain or prior to breeding.

The sheep block improve the utilisation of natural grazing. By providing balanced protein, energy, vitamins and minerals, the block helps to overcome deficiencies in natural grazing.

The ALZU Sheep block helps with the promotion of wool growth and strength, improves fertility and fecundity. It is enriched Ammonium Chloride for the prevention of bladder stones.

ALZU FEEDING RECOMMENDATIONS

RECOMMENDED INTAKE

(g/animal/day)

Maintenance of small stock	150-250	Last 2 months	250-350
Growing small stock	250-500	Lactating ewes	300-500
Pregnant small stock		Flush feeding of small stock	300-400
First 3 months	200-250
